

Intelligent 6-chamber food dispenser PetWant F13

Intelligent 6-chamber food dispenser PetWant F13

Ref: 5905316147980

Intelligent PetWant F13 6-chamber food dispenser

Take care of your pet's healthy eating habits. PetWant intelligent food dispenser is equipped with 6 chambers, where you will give both dry and wet food. In addition, the intuitive panel allows you to set feeding times, and the display provides information on the operation of the device. Moreover, the ice cartridges allow you to keep the food fresh, and the quiet operation of the dispenser will not be a nuisance to your pet. In addition, you can wash most parts of the product in the dishwasher or under running water, and the rechargeable battery provides up to 30 days of operation on a single charge.

Always a fresh meal

For the sake of your pet's health, the dispenser is equipped with 2 ice cartridges that you place under the chambers. Thanks to them, the food will stay fresh for a longer time. For effective operation of the dispenser, put the ice cartridges in the freezer (-18°C) for at least 6 h. Then put them into the food dispenser.

Plan meals for your pet

Use the touch panel to set feeding times to suit your furry friend's needs. The dispenser is designed for both dry and wet food, so you can pour your pet's favorite treats into the chambers. In addition, the display will inform you of the number of meals, low battery, lockout, possible error, etc. This way you can stay up to date.

Thoughtful design

PetWant F13 smart food dispenser was designed with attention to detail. It was created from pet-safe ABS, and the non-slip finish ensures stability and prevents the device from moving. What's more, the product is easy to keep clean - you can rinse all parts except the main part of the F13 under running water or clean it in the dishwasher. Quiet operation of the product will not be a nuisance to your pet, and the ergonomic design of the chambers makes it easier for pets to use. In addition, a special lock prevents cats/ps from sneaking food outside feeding hours.
