

Case Freewell for Samsung Galaxy S23 Ultra (Blue)

Ref: 6972971861024

Case Freewell for Samsung Galaxy S23 Ultra (Blue)

Case Freewell for Samsung Galaxy S23 Ultra (Blue)

The innovative Freewell case not only protects your Samsung Galaxy S23 Ultra but also enhances its photographic capabilities. Compatibility with MagSafe accessories, an innovative magnetic holder for ND/Mist filters, and a dedicated slot for SHERPA lens series make this accessory a must-have for every photography enthusiast.

MagSafe Compatibility

The Freewell case is fully compatible with all MagSafe accessories and chargers, ensuring ease of use and exceptional functionality.

Magnetic ND/Mist Filter Holder

Thanks to the integrated case holder, you can use magnetic filters from the Galaxy Freewell series with ease. The special mechanism allows for convenient and efficient filter replacement, allowing you to easily adapt your smartphone to different lighting conditions.

Convenient Lens Slot

The accessory comes equipped with a dedicated mounting system for SHERPA Freewell lens series, significantly improving the quality of your shots. From now on, all your photos will be clearer and full of details!
