

## Filter Set ND8, ND16, ND32, ND64 Freewell for Samsung Galaxy

Ref: 6972971861017

Filter Set ND8, ND16, ND32, ND64 Freewell for Samsung Galaxy S23 Ultra

Filter Set ND8, ND16, ND32, ND64 Freewell for Samsung Galaxy S23 Ultra

The Freewell set includes ND8, ND16, ND32, and ND64 filters designed specifically for the Samsung Galaxy S23 Ultra. The magnetic mounting system makes it easy to swap filters, and the filters are resistant to water, dust, scratches, and smudges, ensuring the longevity of your accessories. Using high-quality coated optical glass, these filters enhance the quality of photos and videos, allowing you to achieve a cinematic blur effect. Note: To comfortably use these filters, it's necessary to have the Freewell FW-GX-S23U case.

Designed for Samsung Galaxy S23 Ultra

ND filters are specifically designed for the Samsung Galaxy S23 Ultra, ensuring a perfect fit and optimal image quality. The unique magnetic system allows for easy and quick accessory swaps, allowing you to prepare for recording or taking photos efficiently. You no longer need to waste time searching for the right slot!

High-Quality Construction

Each filter included in the set is made from coated optical glass that is resistant to water, dust, scratches, and smudges. This ensures that your photos are always crystal clear and free from unwanted contaminants.

Cinematic Effects

With the Freewell set, you can enhance the quality of your content. ND filters allow you to control the amount of light entering the camera, enabling you to create motion blur effects. Now, you can easily add an interesting atmosphere to your photos and videos!
