

Filter CPL Freewell for Samsung Galaxy S23 Ultra

Filter CPL Freewell for Samsung Galaxy S23 Ultra

Ref: 6972971861062

Filter CPL Freewell for Samsung Galaxy S23 Ultra

The Freewell CPL filter is designed for Samsung Galaxy S23 Ultra users. It is made from high-quality optical glass, ensuring durability. Mounting it is efficient and hassle-free. This accessory is compatible with wide-angle and telephoto lenses, allowing you to eliminate unwanted reflections and enhance the quality of your materials. Note: To comfortably use this filter, it's necessary to have the FW-GX-S23U case.

Professional Effects

The CPL filter is compatible with wide-angle and telephoto lenses, making it a significant advantage for various types of photography. Its main purpose is to eliminate unwanted reflections from non-metallic surfaces, such as water or glass, caused by sunlight. Additionally, the accessory enhances colors and contrast while minimizing glare from the sky or water. This allows you to achieve more saturated colors.

Magnetic Mounting System

With Freewell, you won't miss any moments worth capturing. The magnetic mounting system allows for lightning-fast filter installation, allowing you to quickly adapt your phone to changing lighting conditions.

Durable and Reliable

The filter is made from high-quality optical glass, ensuring exceptional image quality. Additionally, its coating is resistant to water, dust, scratches, and smudges, guaranteeing the cleanliness and clarity of your photos in any conditions.
