Torras phone case Guardian-Mag for iPhone 15 PRO (black)

Torras Guardian-Mag Case for iPhone 15 Pro (Black)

The Torras Guardian-Mag case provides broad compatibility with magnetic accessories and ensures phone safety under all conditions. It also uses high-quality magnets, enabling fast wireless charging.

Reliable Protection

A triple air cushion system provides protection against falls and shocks. Reinforced edges and corners effectively absorb impacts, minimizing the risk of damage. With military-grade protection, you don't have to worry about the safety of your smartphone.

Strong Magnets

Built-in magnets allow for stable attachment to car mounts, wallets, or MagSafe stands, increasing convenience during everyday use of the phone - both while traveling and at home.

Refined Design

The minimalist and elegant design of the case perfectly complements the smartphone, highlighting its visual attributes. Precisely made cutouts for buttons allow smooth operation of the device. As you can see - every detail has been taken care of!
