Torras UPRO Lstand Clear-Mag Case for iPhone 15 (transparent)

The Torras UPRO Lstand Clear-Mag case is designed for the iPhone 15, and is distinguished by a 135° fold-out grip behind the lens so you can work, watch videos or make video calls comfortably. It provides effective protection against damage to your smartphone and allows wireless charging.

Practical and stylish

With strong magnets, the case provides stability and allows you to charge your iPhone 15 wirelessly. The magnetic ring also allows you to place your iPhone in a magnetic car mount, so you can safely use navigation. What's more, the product is resistant to yellowing, drops, splashes and scratches. In addition, you can easily keep it clean.
