Torras phone case Diamond Clear-Mag for iPhone 15 (transparent)

Torras Diamond Clear-Mag Case for iPhone 15 (Transparent)

The Torras Ultra Clear Mag case guarantees advanced protection. Its satin finish is pleasant to the touch, and the soft frame facilitates grip. The thickness of the accessory is only 0.04", which enhances user comfort.

Military-Grade Durability

The product meets military standards for drop resistance. Comprehensive protection is provided by features such as air cushions and the application of X-SHOCK™ 4.0 technology. As a result, you don't have to worry about the safety of your smartphone. The SGS certification confirms the solid construction of the case.

Magnetic Strength

Strong Halbach magnets allow for quick and stable attachment to MagSafe accessories, ensuring safety and functionality. You can thus fully utilize the potential of your smartphone anywhere.

Attention to Detail

Reinforced edges, a 1.5-millimeter camera guard, and 1.2-millimeter screen edges provide additional protection for the most delicate parts of the smartphone. With the Torras case, you can be sure that your device is completely safe.
