Torras UPRO Pstand Case for iPhone 15 Pro (Transparent)

The Torras UPRO Pstand case provides maximum protection for your smartphone while enhancing its functionality. It also features a practical retractable stand and enables wireless charging with its magnetic construction.

Protecting Your Phone

With its durable construction, the use of PC material, X-shock™ system, air cushions, and multi-layer design, the Torras case protects your smartphone from scratches, impacts, and falls. Now you can use your phone with peace of mind in any location without worrying about its safety.

Magnetic Construction

The HablbachMagnet Array magnetic system allows for fast charging and provides stability. The case is widely compatible with magnetic car mounts and various accessories, including chargers and wallets.

Practical Stand

The case comes with a retractable stand that enables convenient video watching or video calls—no need to strain your wrists by holding the device anymore!
