Torras phone case OriginFit for iPhone 15 PRO (black)

Torras OriginFit Case for iPhone 15 Pro (black)

The Torras OriginFit case is dedicated to the iPhone 15 Pro and features an ultra-thin design - its thickness is less than 0.03". It provides effective drop protection and also protects the device's screen and lens. What's more, the magnetic design allows for convenient wireless charging and the use of magnetic car mounts. The case is also compatible with all Magsafe accessories. In addition, it features a pleasant tactile finish and prevents the iPhone from slipping from your hand.

Effective protection

With the Torras OriginFit case, your iPhone 15 Pro is safe. The product was made of flexible plastic, which is distinguished by its high resistance to drops. What's more, the edges of the case have been raised to protect your smartphone's screen and lens from damage.

Magnetic design

The case is equipped with a magnetic ring consisting of N56 magnets with a total force of 19N. As a result, it provides 120% more stability than other cases. So you can charge your iPhone 15 Pro inductively with a charger or powerbank. What's more, it works with magnetic car mounts - use navigation comfortably and safely.
