Torras phone case Diamond Clear for iPhone 15(transparent)

Torras Diamond Clear case for iPhone 15 (transparent)

The Torras Diamond Clear case provides comprehensive protection for your iPhone 15, and is made of recycled polycarbonate and polyurethane. What's more, it allows you to use the buttons comfortably, and thanks to its thin design, you can successfully charge your device wirelessly. The case is also resistant to yellowing.

Advanced protection

The case protects your iPhone from damage and drops of up to 1.82 meters. In addition, the edges of the case are further raised to protect the lens and screen. What's more, the product's plastic is designed to be resistant to yellowing.
