Torras phone case Ostand Matte for iPhone 15(navy blue)

Torras UPRO Ostand Matte Case for iPhone 15 (navy blue)

Protect your smartphone with the multi-functional Torras UPRO Ostand Matte magnetic case, which has been honored with international awards for its exceptional design. It is also distinguished by strong magnets, which allow free charging anywhere. A practical ring increases the convenience of use and allows the product to be used as a stand. The refined design guarantees reliable protection of the device. Another advantage is compatibility with all magnetic accessories.

### Reliable magnets

The Torras UPRO Ostand Matte case uses Halbach magnets and 38 neodymium magnets to securely attach your phone to a variety of magnetic accessories and allow for convenient charging. This allows you to freely use navigation while traveling by car without worrying about your device discharging at the wrong time.

### For the safety of your device

The Torras product has received SGS certification and provides effective protection for your smartphone. It is surrounded by a 360° air cushion and equipped with additional X-shock 4.0 air cushions. Safety is also enhanced by a multi-layer construction. The case, with an additional 2.5mm rise at the camera and 1.5mm at the screen, effectively protects the phone from drops, bumps and other unforeseen events.

### Design that stands out

Experience that functionality can combine with aesthetics. The Torras UPRO Ostand Matte case combines elegance and minimalism, and is lightweight and durable thanks to the use of aircraft-grade aluminum. The slim and silky smooth design provides convenient access to all phone functions. In addition, the ring-shaped holder doubles as a stand, allowing you to position your smartphone vertically or horizontally and allowing you to adjust the tilt angle from 40 to 120°.
