Mcdodo CA-0520 USB-C to 2x USB-C Adapter, PD 60W (black)

The Mcdodo adapter is a 2-in-1 device that allows you to listen to music and charge your smartphone at the same time. It provides high quality sound and fast PD 60W charging. With built-in 2x USB-C ports, it will work with most smartphones and tablets.

Great sound, convenient charging

The Mcdodo adapter is equipped with a HiFi chip that provides crystal clear, richly detailed sound without distortion. What's more, it supports PD 60W fast charging, so you'll renew the Huawei Mate 40 Pro's power in about 1.6 hours. Now you can listen to music, talk on the phone or play games and charge your device at the same time.

Thoughtful design

Operating the adapter will not cause you any problems. After connecting your headphones to it, you can conveniently control your music player from the remote control integrated into the cable. The device works with Android and iOS systems, and the lightweight and compact design of the product makes it easy to transport and store.
