

### Dareu EH745s gaming headphones, jack 3.5 mm (white)

Dareu EH745s gaming headphones, jack 3.5 mm (white)

Ref: 6950589910662

#### Dareu EH745s gaming headphones

The Dareu EH745s gaming headphones will allow you to fully focus on the game and break more records. Enjoy exciting gameplay with superior 7.1 virtual sound quality and ambient noise cancellation. The soft ear pads make you comfortable and the bendable microphone allows you to communicate freely with other players.

#### Optimal sound quality for every gamer

You'll never be caught off guard by your opponents again. The EH745s almost literally surrounds you with sound - the 7.1 system provides superior surround sound quality, so you can pinpoint your opponents' positions and react to their every move instantly. You won't be a threat to a sneaking enemy - you'll hear them instantly!

#### Focus on the game

Unnecessary sounds distract you and prevent you from focusing on the game? Dareu EH745s will help you solve this problem! With ENC noise reduction, unwanted sounds are muted. Nothing can distract you from your game anymore!

## Perfect design

The headphones feature a stylish yet ergonomic design. Soft earcups are made of skin-friendly materials. They fit perfectly to your ears and provide comfort of use even for long hours.
