Nillkin case for Samsung Galaxy Z Fold 4 5G (Black)

Nillkin case for Samsung Galaxy Z Fold 4 5G (Black)

Keep your Samsung Galaxy Z Fold 4 safe and use it comfortably. The specially designed case provides protection for the camera lens and the delicate edges of the phone. Robust and well-thought-out design ensures that the case does not restrict the operation of the smartphone. Nillkin meets the needs of users with practical solutions. The case also has a built-in stand that will allow you to set your phone down while watching, for example, a TV series. Enjoy a fully functional phone and don't worry about it getting damaged if it falls. The case also has room for an S Pen, which is available for sale separately.

Swivel design

The Nillkin-branded case is designed specifically for the Samsung Galaxy Z Fold 4, allowing the device to fold and unfold smoothly. What's more, when unfolded, the back of the case offers a grip that will allow you to hold the device's large screen comfortably. Switch between your Samsung's large and small screen - the case will adjust!

Solid construction

High-quality materials, such as PC and TPU, were used to make the case. A special air cushion effectively protects against shocks in case of a fall, and the camera cover protects the lens whenever you are not using the camera. In addition, it will allow you to protect your privacy. The case is pleasant to the touch, and all mechanisms move smoothly, so using your phone will be just as pleasant and

hassle-free.

Additional features

The case offers several additional features that make using the phone even easier. When you switch to large screen mode, the back of the case allows you to hold the phone comfortably in your hands. What's more, you can then pull out the retractable stand and position the phone to comfortably watch, for example, Youtube videos or make a video call without having to hold the phone. If you use the S Pen, you can place it in the designated compartment. Note: Pen is not included in the package.
