Szczoteczka soniczna do zębów z aplikacją oraz zestawem końcówek i etui Bitvae S2 (biała)

Sonic toothbrush with tip set and case Bitvae S2 (white)

Manual tooth brushing is a thing of the past! Meet the Bitvae sonic toothbrush and discover the amazing feeling of freshness! This toothbrush recommended by the dental community is distinguished by its ultrasonic motor and long run time. It offers 5 brushing modes and 9 intensity levels, and in each of them you will be accompanied by a smart timer that will inform you when you need to change the brushed area. In the package you will find a case and interchangeable tips. With a dedicated app you will gain even more possibilities! Check which ones! The working time of the toothbrush reaches 100 days, and you will renew its energy in just 4 hours!

More efficient tooth brushing

The ultrasonic motor that the Bitvae toothbrush is equipped with is distinguished by an incredible speed of 40,000 vibrations/minute. This ensures even more thorough removal of debris from the mouth. The smart timer used in the toothbrush will remind you every 30 seconds to change the brushed area, so you won't miss a nook or cranny! If you brush too hard, a red indicator will light up in the toothbrush - so you can forget about the problem of irritated gums!

Choose your favorite mode

The Bitvae sonic toothbrush offers up to 5 brushing modes and 9 intensity levels, so you're sure to find the perfect configuration for you! At your disposal are Clean, White, Soft and Smart modes. What this means. Whether your teeth are healthy and strong, or perhaps weak

and sensitive, the brush will allow you to take care of your oral hygiene safely and effectively! What's more, the Gum Care mode will provide gentle care for sensitive gums!

More possibilities with the app

Now you can do more! Dedicated iSpruz app will help you take care of your teeth professionally! It works with iOS and Android, and it will help you learn more about your oral health. How it works. The app monitors your habits, so it can customize a cleaning plan suitable for your chosen routine. On your phone, you can easily check which areas of your mouth are worth brushing more thoroughly! Taking care of your smile has never been easier! In addition, the app will allow you to check the battery charge status. You can connect several Bitvae toothbrushes to iSpruz!

Practical accessories in the set

In the kit you will find a number of useful accessories with which oral care will be even more effective! The 8 tips are a set that will last for up to 2 years of brushing. Among them you will find tips designed for gum care and tongue cleaning. The set also comes with a case that will improve the transportation of the toothbrush.
