Mini photo studio by Puluz

The shadowless tent was created for photography enthusiasts, online retailers, professionals and advertisers. The PU5025B will allow you to create a photography mini studio in your home. With the product, you can photograph small items such as jewelry, toys, watches, etc.

Easy assembly, foldable design and colorful backgrounds included

Thanks to its small size, the tent will not take up much space. You can place it on any surface. PU5025B makes a perfect backdrop for your photos, it comes with 6 double-sided pads in 12 colors. In addition, the portable foldable design allows for easy assembly and storage.

Optimal lighting

The built-in LED lamp prevents shadows and reflections in your photo. You can adjust the brightness of the light to best highlight the assets of your photographed products. What's more, the high CRI of Ra95 means that the device perfectly reproduces the colors of the objects it illuminates. You can charge the PU5025B via USB - just connect it to a charger, powerbank, or even your laptop.
