Deli E3871 binding machine

Easy to use, Deli E3871 binder with ergonomic design allows you to bind up to 350 sheets of paper. It allows you to punch up to 12 sheets at a time. It is also equipped with a special waste bin, which will help you keep your workplace tidy. Its smart design allows you to bind and punch paper, saving up to 30% of energy.

Binding machine and punch in one

Thanks to its high-end blades and high-quality mechanism, it can punch through up to 12 sheets of paper accurately and quickly at once. For example, it can make 4 round holes of 5.5 mm in diameter. It is also ideal for document merging and can punch up to 350 sheets of paper at once, making 21 rectangular holes in A4 format in 3 x 8 mm.

Thoughtful design

The binding machine has been designed to give you maximum comfort in use. Thanks to its carefully thought-out design, punching paper does not require much effort. The device is also equipped with a large waste bin, which means you don't have to worry about the mess in your workspace.
