Deli Tools Folding Saw EDL6006

Deli Tools folding saw is a high-quality tool for fast cutting, for example, wood. Its length is only 170 mm, which makes it handy and easy to transport, while it is also large enough for cutting larger parts. It is made of durable materials, and is equipped with a safety lock, which is located on the handle of the saw. It prevents accidental folding of the saw during cutting, increasing the safety of use. The product is easy to use and store, and thanks to its well-thought-out design, it provides comfort even during longer work. It is an indispensable tool for every DIYer!
