Wireless Bluetooth Speaker Tronsmart Force + (black)

Tronsmart Force Bluetooth Wireless Speaker (black)

Step into the world of sound and transform your musical experience forever with the Tronsmart Force Wireless Speaker . It guarantees stunning stereo sound, and what's more, allowing you to customize the sound to your taste. By combining 2 speakers, you can create an audio system. The rugged design with IPX7 certification makes the device great for outdoor activities. One charge provides up to 15 hours of use, and Bluetooth 5.0 will let you enjoy a stable connection. Use the practical buttons to conveniently operate the device.

High quality sound

Thanks to its advanced systems, Tronsmart Force offers sound of the highest quality. The device is designed to be able to accurately reproduce even subtle details. Experience an impressive spatial soundstage and discover entirely new aspects of music, thanks to its 40-watt power.

Various ways to connect

The Tronsmart Force speaker uses Bluetooth version 5.0 technology, providing a seamless connection to your equipment. The transmission range reaches 20 meters, so you can enjoy freedom of movement without losing sound quality. You can also connect it to a compatible device with the included AUX cable, use the Micro SD/TF card slot, or use a portable USB drive.

Thoughtful design

The speaker's compact size (209 × 64 × 83 mm) and light weight (667 g) allow for effortless portability. The black color scheme gives it a sleek and modern look that blends well with any environment. In addition, the Force is IPX7 certified, which means it is waterproof. Take it with you on outdoor adventures or to the beach without worry - let your favorite soundtrack always accompany you!

Long runtime and powerbank function

Would you like to listen to music without interruption? Of course you would! The Force offers up to 15 hours of uninterrupted sound fun at 50% volume. The time it takes to charge it is about 3 hours. From today you don't have to limit yourself anymore!
