Air Fryer Leacco AF020 allows you to prepare tasty and healthy meals by using hot air. It allows you to choose from up to 8 operating modes, so you can easily adjust its operation to your needs. The large window will allow you to comfortably control the cooking process, and the touch panel will make the operation of the device simpler. Its cleaning will not be a challenge for you - you can wash the individual components without any problems, even in the dishwasher. Indulge in culinary experiments and discover how many tasty dishes you can prepare in a healthy and efficient way!

Cooking under control

The Air Fryer's clever design with a large window allows you to monitor the food preparation process. Now you can watch your favorite dishes turn golden without having to open the lid. The built-in display will make it easy for you to operate the device. From it you can conveniently change the temperature and time or choose from the available cooking modes. In addition, its capacity is 4.5 l, so you can successfully prepare a meal for your entire family.

Your helper in the kitchen

The AF020 has as many as 8 cooking modes, which allow you to prepare a variety of dishes. Whether you want to fry fries, roast chicken,

grill vegetables or prepare a tasty dessert - you can prepare almost any dish with the Leacco Air Fryer! You can also use it to defrost or reheat food. What's more, with the help of a special knob you can freely adjust the temperature in the range of 40°C-200°C.

Healthy meals in the blink of an eye

Now you can enjoy the taste of your favorite dishes without worrying about excess calories. The Air Fryer uses hot air circulation to make it easy for you to prepare healthier meals. It will keep your fries golden and crispy on the outside, while keeping them juicy on the inside. Fancy grilled vegetables? The Air Fryer AF020 will perfectly handle this task as well, giving them an appetizing appearance and distinct flavor, without the need to add a lot of oil.
