Monitor Koorui 25E3A 24.5" 1920x1080px 170Hz

Looking for the perfect monitor to be the perfect companion for any gaming experience? The Koorui 25E3A features a 24.5" display that provides a wide color gamut for more realistic images. What's more, it provides low latency, as its response time is only 1 ms! It boasts a refresh rate of 170 Hz, thus enabling smooth gaming sessions. Enjoy uninterrupted performance together with Koorui!

### Made for gamers

The Koorui monitor is the perfect combination of advanced technology and intuitive use. Its lightning-fast responsiveness of just 1 ms significantly reduces drag during moments of dynamic movement. This allows for lightning-fast response, which, as a result, can significantly increase your chances of winning the game. What's more, the monitor is equipped with a special button that was designed with gaming habits in mind. Thanks to it, the menu you want to locate is easily accessible. Koorui guarantees not only excellent image quality, but also comfort and ergonomics.

### Excellent image quality

The 25E3A impresses with its 24.5-inch VA-type screen, which guarantees sharpness and excellent display quality. Its resolution is 1920 × 1080 pixels, which ensures the clarity and accuracy of every detail. One of the most important advantages of this model is its refresh rate of 170 Hz, which makes moving images smooth. In addition, the wide color gamut of 99% sRGB makes colors vivid and faithfully

reproduced. The Koorui monitor is the perfect solution for those who value high image quality in everyday use.

#### Great compatibility

The monitor is equipped with a rich set of ports, including two HDMI 1.4 and DP 1.2 ports for versatile compatibility with a variety of devices. An additional Audio port allows you to connect external speakers or headphones, delivering an even better acoustic experience. What's more, the monitor's ergonomic stand offers an adjustable tilt angle from -5° to 15°, so you can adjust the position of the screen to suit your needs, ensuring your comfort during prolonged use. The Koorui monitor combines functionality with user comfort.
