Havit MP845 gaming mouse pad

Enjoy dreamlike precision and incredible speed during even the most dynamic gameplay. The Havit MP845 mousepad is made of premium jacquard that allows for delightfully fast and smooth mouse maneuvering. Thanks to the additional edge protection, it will serve you perfectly for a long time. Want more? The bottom of the mouse pad is made of non-slip material, so it won't slide on your desk surface and interfere with your game.
