Photo studio Puluz 40cm 24W 5500K PU5042EU

Ref: 5907489609333

### Puluz PU5042EU shadowless tent

Equip yourself with the Puluz PU5042EU shadowless tent and create perfect shots of various objects. The kit is very easy to assemble and includes many practical components. It will meet the expectations of any photographer, featuring high performance and easy transportation.

### Plenty of benefits

The tent is characterized by extreme simplicity of assembly and transport, so it will be an ideal addition to the equipment of any photographer. With its help, you will present any product in excellent light - using efficient LEDs and silver finish. Thanks to this, your shots will be clear and perfectly show the visual qualities of the presented object.

### Versatility

The set also includes 4 additional panels in different colors - black, white, orange and green. These panels are wrinkle-resistant and waterproof. Bet on Puluz and provide studio conditions - wherever you are!
