Zeblaze Btalk 3 Smartwatch (Black)

The Zeblaze Btalk 3 smartwatch is a combination of elegance and advanced features that will revolutionize your everyday life. With it, you not only keep track of time but also have access to endless possibilities that will help you take care of your health, physical activity, and daily tasks.

Impressive Display

The Zeblaze Btalk 3 boasts a large, colorful 1.39-inch IPS display that ensures readability even in bright sunlight. With a clear resolution of 360 x 360 pixels, you get a clear view of the menu, as well as all your app notifications and information. What's more, you have over 300 watch faces at your disposal, allowing you to change the watch's appearance to match your style and mood every day!

Durable and Resilient for Everyday Challenges

With an IP68 certification, this watch is water-resistant, meaning you can wear it while swimming or in the shower. Crafted from high-quality materials, the watch is durable and resistant to extreme temperatures, operating in a range from -20°C to 40°C. This means you can confidently use all its functions even in winter without worrying about battery life.

Health at Your Fingertips

Your new companion, the Btalk 3, takes care of your health as well! With it, you can continuously monitor your heart rate, blood oxygen SpO2 levels, and blood pressure. If you menstruate, the Btalk 3 can help you keep track of your menstrual cycles. The device also tracks your sleep, providing you with information on the time you spend in different sleep phases. This keeps you informed about your body and well-being.

Intelligent Features

Once synchronized with your smartphone using the dedicated app, you'll receive intelligent notifications from your apps, as well as incoming calls and text messages. Furthermore, from your wrist, you can conveniently check the weather, control music playback, and operate your smartphone's camera. With the built-in location feature, you'll never lose your devices again. The Zeblaze Btalk 3 is a great solution for simplifying your daily tasks.

Work on Your Fitness

The Zeblaze Btalk 3 is not just a watch; it's also a center for physical activity. Track your steps, burned calories, pace, and real-time distance. The device offers over 100 sports modes, including running, cycling, Latin dance, and boxing. Choose your favorite activity or discover a new passion, and measure your progress daily!

Long Battery Life

The watch is equipped with a 230mAh Li-polymer battery, providing up to 14 days of typical use or 7 days of intensive use. With fast charging support, it takes only about 1.5 hours to fully charge, ensuring that the watch is ready for your daily challenges.

Compatible with Popular Smartphones

The Zeblaze Btalk 3 is compatible with Android 4.4 and higher, as well as iOS 8.0 and higher. This means you can easily pair it with most popular devices and quickly enjoy all the watch's features.
