Smartwatch Zeblaze GTR 3 (Black)

Zeblaze GTR 3 Smartwatch (Black)

The Zeblaze GTR 3 is a combination of modern design, advanced technology, and versatile features that will make your daily life more efficient and comfortable. We present to you not just a watch but also an assistant that takes care of your health, time management, and well-being.

Immerse Yourself in the World of Technology

One of the key advantages of the GTR 3 is its IP68 water resistance. Now you can swim, run in the rain, or take a shower with it without worrying about its condition. It's a watch that adapts to your lifestyle, no matter the conditions.

Regular Health Measurements

Your watch is your personal health trainer. The GTR 3 monitors your wrist's pulse, provides blood oxygen level information, tracks skin temperature, and helps you monitor your sleep. Now you'll always be up-to-date with information about your body and well-being. Plus, you'll quickly respond to any deviations from the norm. Taking care of your health has never been easier.

Sport Modes - Better Results Every Day

The GTR 3 offers an impressive range of sports modes to help you track and improve your physical activity. Whether you're a fan of

running, tennis, cycling, or yoga, the watch adapts to your training. Choose the right mode, measure your progress, and enjoy daily motivation on your wrist!

Convenient Voice Calls and Access to an Assistant

With the voice call feature, you can easily make calls, use the numeric keypad, and manage contacts without taking your phone out of your pocket. What's more, the voice assistant makes it easy to access many other functions, turning your watch into a tool for efficient communication in any conditions.

Customize Watch Faces

With the GTR 3, you gain access to a rich collection of watch faces. You can change its appearance to match your style and mood every day. Choose from dozens of different themes and enjoy how well the GTR 3 looks on your wrist.

Long Battery Life

The watch is equipped with an efficient 240mAh Li-polymer battery. This allows you to enjoy up to 15 days of typical usage or up to 7 days of intensive usage. And when the battery runs out, fast charging ensures the watch is ready for more challenges in just 1.5 hours!

Compatible with Smartphones

The Zeblaze GTR 3 is compatible with both Android (version 5.0 and newer) and iOS (version 9.0 and newer) operating systems. This means you can pair it with most popular smartphones and enjoy its full range of features.

Stunning Design

The GTR 3 impresses with its simple and elegant design that complements any style. The comfortable silicone strap ensures all-day wearability. The watch's case is made of durable materials, including a zinc alloy ring, making it resistant to damage and everyday use. You don't have to worry about its durability, even in challenging conditions.
