Zeblaze GTR 3 Pro Smartwatch (silver)

The Zeblaze GTR 3 Pro combines artistry and advanced technology in a single smartwatch. Hand-polished stainless steel gives it a refined look, while its slim profile and silicone strap provide elegance and everyday comfort. Its display, with a density of 326 PPI and brightness of up to 1000 nits, protected by Corning® Gorilla® Glass with Always-On Display (AOD) functionality, ensures clarity and readability in all conditions.

Health Monitoring at Your Fingertips

The Zeblaze GTR 3 Pro is your personal assistant. With features like blood oxygen saturation monitoring and continuous heart rate measurement, it allows you to track key health indicators in real time. Breathing exercises, over 100 sports modes, and comprehensive activity tracking motivate you to maintain physical fitness and a healthy lifestyle, while workout results help you track progress and adjust your goals.

Convenient Communication

With the ability to make calls from your wrist and receive push notifications, the Zeblaze GTR 3 Pro ensures you never miss an important message or call. It also supports offline voice assistant, making it easy to manage watch functions without reaching for your phone.

Start Getting Quality Sleep

The sleep monitoring feature helps manage your daily sleep cycle, ensuring better rest quality. It provides insights into your deep and light sleep phases and helps you correct any sleep habits. The GTR 3 also features an alarm function, so you never miss your wake-up call.

Customized to Your Style

The watch offers over 300 watch faces that you can customize to your preferences, allowing you to change the watch's appearance to match your mood every day. It's equipped with an efficient battery that can last up to 14 days in power-saving mode, eliminating the need for constant recharging.

Reliability in Any Conditions

Water and dust resistance, compliant with IP68 standards, means the Zeblaze GTR 3 Pro is designed to accompany you on any adventure. Whether you're engaging in sports or caught in the rain, this smartwatch is ready for the challenges of daily life.
