Ref: 6921002614306

Hub USB-C Mcdodo HU-1430 5w1 (USB2.0*3,USB3.0*1,SD/TF)

Mcdodo HU-1430 5-in-1 USB-C Hub (USB2.0*3,USB3.0*1,SD/TF)

The Mcdodo HU-1430 is a compact and versatile USB-C hub that will allow you to maximize the potential of your devices. This innovative hub offers multiple ports including: USB2.0, USB3.0, and SD/TF slots, providing exceptional flexibility and convenience for everyday use. Experience the benefits of this indispensable addition to your MacBook, laptop or smartphone.

Many different ports

The Mcdodo HU-1430 hub is equipped with up to three USB2.0 ports and one USB3.0 port, allowing you to connect a variety of devices simultaneously. Now you can use your mouse, keyboard, flash drive and other accessories without any problem. What's more, thanks to the USB3.0 port, the hub offers high-speed data transfer of up to 5 Gbps. This means you can transfer files, videos and other media in no time!

Compatibility with multiple devices

The Mcdodo HU-1430 is compatible with a variety of devices, including MacBook, ASUS, Xiaomi, Lenovo, HP, Razer laptops, as well as Samsung S10/S10+, S20, S21, Huawei Mate20/30/P30/P40 and other Android phones and tablets. It's ideal for those who need a flexible hub for multiple devices.

Durable design

The Mcdodo HU-1430 hub is designed with durability in mind. Its construction based on ABS and nylon materials guarantees durability for years of use. You don't have to worry about damage or wear and tear, even with heavy use. Thanks to its light weight (29 g) and compact dimensions (110 × 30 × 12.3 mm), the Mcdodo HU-1430 hub is extremely practical and easy to carry. You can take it with you anywhere to enhance the functionality of your laptop or smartphone without any additional burden.
