Box Telesin 3-channel charger set + 2 batteries for GoPro Hero 12 / 11 / 10 / 9.

The 3-in-1 charger by Telesin allows you to quickly charge up to 3 GoPro Hero 12 / 11 / 10 / 9 batteries simultaneously. Lightweight and compact - you can always have it at hand. Its complex security system makes using it risk-free. What's more, built-in LED indicators provide real-time information about the charging status. An additional advantage of the charger is a silicone compartment where you can store up to 2 TF memory cards. You will also find 2 rechargeable batteries for GoPro Hero 12 / 11 / 10 / 9 in the set.

Fast charging batteries for your camera

The product supports 2.4A fast charging. This means it can charge 3 batteries for GoPro Hero 12 / 11 / 10 / 9 in just 2.5 hours. The charger is equipped with a USB-C port, making it incredibly versatile - you don't need additional adapters to use it.

Don't worry about the safety of your equipment

A special protection system protects the charger and batteries from damage. The devices are not in danger of overcharging, overloading, overvoltage, short circuit or excessive temperature. The safety of equipment use is enhanced by a special fireproof housing.

Easy access to the most important information

Built-in LEDs make it easy to operate the charger, providing you with information about the charging status in real time. A green color,

for example, indicates that it has been completed, while yellow indicates that the battery is almost charged. Blue indicates that the charger has entered standby mode, and red indicates that charging is in progress.

Incredibly practical design

The device is pleasant to the touch, handy and comfortable to use. It weighs only 68.31 g, so it won't weigh down your purse, suitcase or backpack. You can easily pack it and take it with you wherever you need it - outdoors, on vacation with friends or on a long trip. Non-slip silicone pads allow you to stand the charger stably on any surface. The lid of the device, in turn, is equipped with a magnetic closure.

Say goodbye to compatibility problems

The included batteries are fully compatible with the GoPro Hero 12 / 11 / 10 / 9. Forget about annoying errors or messages informing about incompatibility. Telesin brand batteries will without any problems provide your camera with the energy needed to create more fascinating shots.
