Propeller Guard Sunnylife for DJI Mini 4 Pro (N4P-KC712)

Sunnylife N4P-KC712 propeller guard for DJI Mini 4 Pro

The Sunnylife N4P-KC712 is a wing cover for the DJI Mini 4 Pro drone. One part of the kit is two interconnected covers for two wings, which protects them from multiple sides and will knock down the impact of collisions and shocks on the device and protect people and animals.

Mounting method

One cover attaches to the two arms of the drone without obscuring the lights. It is secured by fastening a buckle. Installation is very simple and quick, and the guards themselves are extremely lightweight, not overly weighing down the drone.

Compactness of the set

Cover for two wings x 2
