Lens/Gimbal Cover Sunnylife for DJI Mini 4 Pro (N4P-G710)

Sunnylife Gimbal Cover for DJI Mini 4 Pro (N4P-G710)

The Sunnylife N4P-G710 is a cover for the DJI Mini 4 Pro that protects the gimbal and lenses from damage. Its endearing design, reminiscent of a smiling frog, is an added bonus that enhances mood. The cover is made of durable plastic that protects against collisions, dust, and scratches, thereby extending the drone's lifespan. It is very easy to install - simply place it on the device and it's ready. The cover's extremely low weight of 21g makes it imperceptible during transport.
