

Cube (20L) PolarPro for Boreal 50L Backpack

Ref: 817465027615

Cube (20L) PolarPro for Boreal 50L Backpack

20L PolarPro organizer for Boreal 50L backpack

The product will make it easier for you to stay organized in your backpack. The organizer allows you to store your clothes and allows you to separate them from your photographic equipment. It features a capacity of 20L and is dedicated to the PolarPro Boreal 50L backpack. In addition, it was created from durable nylon and has a water-repelling coating.

Keep your backpack organized with ease

The organizer allows you to keep your Boreal 50 I backpack in order. It will easily accommodate clothing, camping gear and other essentials needed during your trips. You will pack the product into the main compartment of the backpack.
