Lisen adjustable magnetic mount for grille (black)

The Lisen mount is equipped with strong magnets to ensure stability. In addition, the included magnetic rings ensure that the product will fit any smartphone. What's more, you will attach it to almost any ventilation grille, and the silicone finish protects it from scratches.

Safety of your smartphone

The mount is distinguished by its well-thought-out design, so your smartphone is safe. It is equipped with 20 strong magnets that hold your device firmly and eliminate vibrations when driving on a bumpy road.

User-friendly

It comes with 2 magnetic rings, so the mount will fit any smartphone. Its arm can be adjusted 360°, allowing you to customize the position of your device. It also doesn't take up a lot of space and doesn't block visibility.
