Magnetic Mini Powerbank Baseus 5000mAh 20W (black)

Magnetic Mini Powerbank Baseus 5000mAh 20W (Black)

Want to comfortably charge your devices? With the Baseus powerbank, it's possible! Its thoughtful design means that you not only gain access to a large capacity of 5000 mAh, but also enjoy unparalleled mobility thanks to its small size. This powerbank will be an indispensable companion on every journey! See what more it can offer you.

Comfortable Charging

The magnetic mini powerbank Baseus is the perfect solution for everyone who values comfortable charging of their devices. With its large capacity of 5000 mAh, this small powerbank lets you recharge your smartphone several times without the need for a socket or interrupting your device usage. Its magnetic design is not only aesthetic but also functional, as it strongly adheres to your phone, enabling wireless charging in an exceptionally convenient way. Now you can enjoy full comfort and reliable power anywhere and at any time.

Thoughtful Design

The Baseus device stands out not only for its performance but also for its thoughtful design. Its slim thickness of just 14.7 mm means it fits comfortably in your pocket or purse, making it a perfect companion for every journey or in everyday use. Despite its compact size, it guarantees safe charging of your device, so you don't have to worry about potential damage to your equipment. This powerbank

perfectly combines practicality with an elegant design, meeting the expectations of even the most demanding users.
