Joyroom Magic JR-ZS205 Magnetic Car Mount for Ventilation Grille (black)

The Joyroom mount is equipped with 6 strong magnets, which are responsible for the stability and safety of your smartphone. It rotates 360°, and thanks to its compact design, it won't take up much space. Moreover, it is compatible with all models of smartphones and most types of vents.

Stability and security

Enjoy the convenience of use and be sure that your smartphone is safe. The Joyroom JR-ZS205 mount is equipped with 6 strong neodymium magnets that ensure stability even on bumpy roads. In addition, they protect your device from damage and do not affect the call signal.

User-friendly

The mount is finished with silicone, which protects the smartphone from scratches. What's more, its lightweight and compact design doesn't obstruct visibility while driving. The 360° swivel function allows you to adjust the position of your device to suit your needs, and the clever design of the clip ensures stability while not damaging the air vents.
