Joyroom JR-ZS283 (black) car grille mount

Ensure maximum comfort while driving your car. This will be helped by the Joyroom JR-ZS283 grille mount, which guarantees a stable position for your smartphone both vertically and horizontally. Thanks to its compact design, the holder does not obstruct the ventilation grille, moreover, it is compatible with many devices with a diagonal of 4.7" to 6.7".

Well designed

Joyroom JR-ZS283 holder is equipped with a sturdy clip, which you can easily mount on the ventilation sheet of your car. Thanks to it, the holder maintains a stable position even on a bumpy road, and the silicone inserts placed inside prevent scratching your smartphone. The advantage is also the compact size, so you don't have to worry that the product will cover the ventilation grille.

Adjustable design

No more restrictions. Joyroom JR-ZS283 is distinguished by its adjustable design, so you can conveniently maneuver your phone and position it both vertically and horizontally. Another advantage is the practical button on the back of the holder, which allows you to efficiently remove the device and operate the holder with one hand.
