

Car Charger Joyroom JR-CCD02, Dual-Port 70W (Black)

Ref: 6956116776855

Car Charger Joyroom JR-CCD02, Dual-Port 70W (Black)

Car Charger Joyroom JR-CCD02, Dual-Port 70W (Black)

The Joyroom JR-CCD02 car charger offers 2 output ports and supports fast charging protocols like PD, QC3.0, and more. The digital display shows real-time voltage, and a range of protections safeguards your devices. Additionally, the use of fire-resistant PC ensures safe charging without overheating.

Safe and Fast Charging

Charge your devices worry-free. The product is equipped with special chips that protect against overheating, short circuits, overcurrent, overcharging, and more. It also supports fast charging protocols like PD3.0, QC3.0, PPS, AFC, and FCP, allowing you to quickly charge your devices without waiting. Additionally, it enables simultaneous charging of 2 devices.

Wide Compatibility

The charger supports voltage in the range of 12-24V, making it compatible with various car models. Moreover, the Joyroom JR-CCD02 can be successfully connected to smartphones, TWS earbuds, laptops, and tablets from brands like Samsung, Apple, Google, and more. Note: The charger is incompatible with the entire iPhone 15 series.
