

Car charger Joyroom JR-CCD04 , 2A1C 30W, Digital Display

Ref: 6941237112019

Car charger Joyroom JR-CCD04 , 2A1C 30W, Digital Display

Joyroom JR-CCD04, 2A1C 30W car charger.

Get ready for a long trip! The Joyroom car charger allows you to renew the energy of 3 devices at the same time. Its maximum charging power is 30W, and it supports the PD fast charging protocol and QC3.0. It is compatible with most cars, and a number of safety features will ensure safe use. A built-in real-time display monitors your car's battery voltage.

Fast charging

With the Joyroom car charger, you can be sure that your smartphone will always be ready to go! The accessory allows you to charge with up to 30 watts of power. It also supports Power Delivery and Quick Charge 3.0 fast charging standards, all of which means that charging your device of choice will only take a moment.

Charge 3 devices simultaneously

The JR-CCD04 is equipped with up to 3 charging ports - 2x USB-C and USB-A. So you can renew the energy of several devices at the same time without any trouble. The charger is also distinguished by its wide compatibility. With its help you can successfully charge not only a smartphone, but also a tablet, wireless headphones or a smartwatch.

Multi-level protection

You no longer need to worry about the safety of your devices while charging. The charger is equipped with a number of protections that reliably protect against overcurrent, overvoltage, overheating or short circuits. What's more, high-quality materials have been used to make the accessory fire-resistant.
