

## Car charger Joyroom JR-CCN03, 2USB 24W

Car charger Joyroom JR-CCN03, 2USB 24W

Ref: 6941237101495

Joyroom JR-CCN03 Car Charger, 2x USB, 24W

Travel with confidence knowing that nothing will hinder you! The Joyroom JR-CCN03 Car Charger comes equipped with 2 USB charging ports, and its charging power reaches up to 24W. Thanks to its carefully designed construction, the accessory stays securely in place regardless of the prevailing conditions. Advanced chips ensure safe usage, and the compact design ensures it won't take up much space.

### Fast Charging for 2 Devices

Don't waste time waiting for your smartphone to be ready for work! The charger offers fast charging with 24W power. It also provides 2 USB-A charging ports, allowing you to quickly recharge your smartphone and wireless headphones in no time.

### Thoughtful Design

The accessory is made of durable aluminum alloy, responsible for efficient heat dissipation. With multi-level protection, the charger effectively guards against overloading, surges, short circuits, and overheating. It's also equipped with colorful illumination, making it easy to locate the charging ports in the dark, while the compact design seamlessly fits into your car space.
