Car charger Joyroom Joyroom JR-CCN04, A+C 60W

Joyroom car charger JR-CCN04, A C 60W.

Have the confidence that nothing will get in the way of your travels! The Joyroom JR-CCN04 car charger is equipped with 2 USB charging ports, and its charging power reaches up to 60W. Thanks to its carefully considered design, the accessory stably stays in place, regardless of the prevailing conditions. Advanced chips ensure safe use, and the compact design means it won't take up much space.

Fast charging of 2 devices

Don't waste time waiting for your smartphone to be ready to use! The charger offers fast charging with up to 60W of power. It also offers 2 charging ports - USB-C and USB-A, so you can renew the power in your smartphone and wireless headphones in just a few moments.

Thoughtful design

The accessory is made of durable aluminum alloy, which is responsible for efficient heat dissipation. With multi-level protection, the charger effectively protects against overcurrent, overvoltage, short-circuits and overheating. It also features a colorful backlight that will make it easy for you to locate the charging ports after dark, and the compact design makes it fit perfectly into your car's space.
