

Car charger Joyroom Joyroom JR-CCN06, 2C 30W

Car charger Joyroom Joyroom JR-CCN06, 2C 30W

Ref: 6941237112071

Joyroom JR-CCN06 car charger, 2x USB-C, 30W.

Now nothing will get in the way of your long hours of car travel! Joyroom JR-CCN06 car charger is equipped with USB-C ports, so you can easily renew the power of 2 devices at the same time. It enables fast PD charging with power up to 30 watts. Its lightweight and compact design means that storing it won't be a problem for you - it's up to 50% smaller compared to standard chargers. It is compatible with a range of popular devices, including smartphones, tablets, wireless headphones, speakers and smartwatches.

Instant charging

Regardless of the length of your trip, your smartphone, tablet or other devices will always be ready to go. With support for Power Delivery technology and 30 watts of power, you'll renew the energy of your chosen devices in no time. What's more, the charger features 2 USB-C charging ports, allowing you to charge two devices simultaneously.
