

Wired Earphones Joyroom JR-EW06, Half in Ear (Dark Gray)

Wired Earphones Joyroom JR-EW06, Half in Ear (Dark Gray)

Ref: 6941237137586

Joyroom JR-EW06 wired in-ear headphones, (gray).

Discover the Joyroom JR-EW06 headphones for a superior listening experience without compromise. With a semi-ear design, built-in microphone and premium materials, the headphones are ideal for everyday use. With $\phi 14.2\text{mm}$ speakers and a frequency range of 20Hz to 20KHz, you can be sure that the sound quality is top-notch.

Long-lasting comfort

Designed with your comfort in mind, the JR-EW06 half-ear headphones provide a perfect fit and comfort for long hours. This makes them ideal for long sessions of listening to music, talking on the phone or watching movies.

Phenomenal sound quality

Offering a frequency range of 20Hz to 20KHz and 14.2mm drivers, the JR-EW06 delivers rich, balanced and realistic sound. Discover deep bass, clear, bright mids and highs that together create perfect harmony and immerse yourself in the sounds of your favorite songs, podcasts and audiobooks.

Built-in remote control with two buttons

Minimize numerous interactions with your phone with the built-in remote control. Two buttons allow you to operate music and phone

calls quickly and easily, giving you freedom and convenience without staring at your smartphone screen.

Distortion-free conversations

A built-in microphone with noise cancellation technology ensures crystal clear phone calls. Whether you're on a business conference call or chatting with friends, your voice will always be clearly heard, so you don't have to repeat yourself.

Robust and durable design

You don't have to worry about the quality and longevity of Joyroom headphones. Made from a combination of durable materials such as TPE, ABS and metal, the JR-EW06 headphones are designed to withstand daily use.
