Charger Joyroom JR-TCN01, 2.4A (EU) 2 USB (Black)

Charge 2 devices simultaneously and save time. The Joyroom JR-TCN01 charger is equipped with 2 USB-A ports and provides up to 2.4A. It also features wide compatibility and a lightweight, portable design - it can accompany you almost anywhere. It also guarantees complete safety of use.

Hassle-free charging of 2 devices simultaneously

The charger is equipped with 2 USB-A ports, so you can connect up to 2 devices to it at the same time. Now you can conveniently charge your phone and headphones, for example, without waiting for one device to be ready before plugging in the next one! What's more, the 2.4A current provides impressive charging performance.

Safe use

Enjoy not only fast, but also safe charging. The charger is equipped with reliable protection against short-circuit, overheating and overvoltage, among other things, and its housing is made of flame-retardant PC plastic. The JT-TCN01 also has a built-in smart chip, which is responsible for optimal energy distribution, preventing damage to the batteries of the equipment being charged.

Wide compatibility

With the charger you can successfully charge most popular devices - don't worry about compatibility issues. The JR-TCN01 will work perfectly with a variety of smartphones, tablets, smartwatches, wireless headphones, powerbanks and more.
