Ref: 6956116753450

Charger GaN Ultra 65W 2C1A Cable C-C Joyroom TCG01 (white)

Charger Joyroom JR-TCN03, 4.8A (EU) 4 USB (Black)

The Joyroom JR-TCN03 charger allows you to charge up to 4 devices simultaneously, providing a total output current of up to 4.8A. It stands out with its wide compatibility and ensures safe usage. It's also perfect for travel - its compact design easily fits in your luggage.

### Charge Up to 4 Devices Simultaneously

Want to charge multiple devices at once? No need to reach for additional chargers or wait for one device to finish before connecting another! The JR-TCN03 model offers 4 USB-A ports, allowing you to connect your phone, tablet, headphones, and desk fan all at the same time. Moreover, with an output current of up to 4.8A, you can enjoy fast charging.

### Universal Compatibility

Compatibility issues are a thing of the past. The Joyroom charger works seamlessly with various devices from well-known brands. You can use it to charge not only smartphones but also tablets, wireless headphones, TWS earbuds, smartwatches, speakers, and power banks.

### Compact Design

Don't miss out on quick and convenient charging for your essential devices when you're on vacation. The charger is so lightweight and compact that it can accompany you almost anywhere. It weighs only 92g, and its dimensions are 48.7 x 35.5 x 85.6mm - it won't take up

much space in your bag, suitcase, or backpack. Additionally, the product's housing is made of flame-resistant PC material, ensuring exceptional durability.
