Earbuds True Wireless Joyroom JR-TS3 (Black)

Experience outstanding sound quality and ultimate comfort while enjoying your music. The Joyroom JR-TS3 wireless earphones are equipped with 5-millimeter drivers, ensuring exceptional sound quality. They are incredibly comfortable to wear - you might even forget you have them on. With up to 5 hours of playback time on a single charge and Bluetooth 5.3 connectivity, you can enjoy uninterrupted music with a range of up to 10 meters. The package also includes a special eye mask for added convenience.

### High-Quality Sound

These earphones are equipped with premium 5-millimeter drivers. This ensures an exceptional audio experience, allowing you to discover your favorite songs with improved clarity. Immerse yourself in the magic of music and enjoy the captivating sound quality.

### Reliable Wireless Connection

Say goodbye to connectivity issues. The earphones support the reliable Bluetooth 5.3 technology, providing fast and stable transmission within a range of up to 10 meters. Say goodbye to disruptions and delays!

### Extended Playtime

Now you can listen to music at home, work, or while traveling without worrying about the battery life. The JR-TS3 earphones offer up to 5

hours of playback time for music or 4 hours for phone calls on a single charge. In standby mode, they can last up to 120 hours, ensuring they are always ready to serve you. Charging the earphones takes approximately 1.5 hours.

#### Your Comfort Matters

Using these earphones is incredibly comfortable. The JR-TS3 earphones fit snugly in your ears and are designed for prolonged use without discomfort. The package includes interchangeable ear tips and sleeves, allowing you to customize the fit to your preferences. Additionally, you'll find a special eye mask in the package – so relax, detach from the surroundings, and immerse yourself in a world of beautiful sounds!
