Are you looking for a practical and durable cable to charge your devices? Choose Joyroom SA26-AL3! This product provides a current of up to 3A, allowing you to charge your iPhone or iPad in a very short time. It also enables file transfer at speeds of up to 480 Mbps, so you don't have to waste much time on it. The cable is also very durable, so you don't have to worry about it getting damaged quickly.

Fast Charging

With the Joyroom SA26-AL3 cable, you can charge your devices in the blink of an eye. A current of up to 3A will save you time! What's more, the built-in intelligent chip automatically adjusts the voltage and current to control the temperature and protect the batteries of the charged devices from damage.

Enhanced Design

The Joyroom SA26-AL3 cable will serve you well for a long time. Its connector has been reinforced, increasing its resistance to breakage. Additionally, a durable PVC coating effectively protects the cable from damage, making it resistant to bending and pulling.
