Cable Flash Charge USB C to USB-C SA26-CC3 / 60W / 1m (white)

With the Joyroom SA26-CC3 cable, you can quickly charge your devices. Thanks to its 60W power output and 3A current, you won't have to wait long for your smartphone or tablet to be ready for work! This product also allows file transfer at speeds of up to 480 Mbps - now your photos or videos will quickly find their way to the destination.

Even Faster Charging

Charge your devices in significantly less time. The cable provides a power output of up to 60W, enabling fast charging of smartphones, tablets, wireless speakers, portable gaming consoles, and more. It is also distinguished by an intelligent chip responsible for automatic voltage and current regulation, maintaining the temperature at the right level, and protecting the batteries of the connected devices from damage.

Durable Construction

Choose the highest quality craftsmanship and get a cable that will serve you for a long time. The SA26-CC3 model is equipped with reinforced connectors, known for their exceptional durability and resistance to breakage. Its most vulnerable parts have also received additional protection. The cable will surprise you with its durability - bending and pulling won't harm it.
