Cable Flash Charge USB C to Lightning SA26-CL3 / 30W / 1m (white)

You can quickly charge your devices with the Joyroom SA26-CL3 cable. Thanks to its 30W power and 3A current, you don't have to wait long for your iPhone or iPad to be ready for work! The product also allows for file transfers at speeds of up to 480 Mbps – now your photos and videos will quickly reach their destination.

Even Faster Charging

Charge your devices in a much shorter time. The cable provides up to 30W of power, enabling fast charging for iPhones and iPads. It also features an intelligent chip responsible for automatically adjusting voltage and current to maintain the temperature at the right level and protect the batteries of the charged devices from damage.

Durable Construction

Choose the highest quality and get a cable that will serve you for a long time. The SA26-CL3 model is equipped with reinforced connectors that stand out for exceptional durability and resistance to breakage. Its most vulnerable parts are also given additional protection. The cable will impress you with its durability—it can withstand bending and pulling without a problem.
