Cable Colorful 100W USB C USB C SA29-CC5 / 100W / 1,2m (blue)

Colorful 100W USB-C to USB-C Joyroom cable SA29-CC5 / 100W / 1.2m (blue).

The Colorful Joyroom cable offers charging with up to 100 watts of power. It allows not only fast charging, but also data transmission between selected devices at 480 Mbps. The cable's material is extremely soft, yet flexible. It is compatible with most devices that feature a USB-C port.

Resistant to damage

Liquid silicone was used to make the cable, which is exceptionally soft yet flexible. Not only does it not get tangled or deformed, but also stands out for its high durability and resistance to everyday wear and tear. What's more, its connectors have been further reinforced to prevent breakage.

Safety of use

You no longer need to worry about the safety of your devices while charging! The cable is equipped with a smart chip that not only automatically adjusts the charging parameters to the connected device, but also prevents overheating. Thanks to Trickle Charging, you can charge your phone peacefully at night without worrying about overcharging.
