Powerbank Baseus Magnetic Mini 10000mAh 30W MagSafe (white)

Baseus Magnetic Mini 10000mAh 30W MagSafe Power Bank (White)

Baseus Magnetic Mini 10000mAh 30W MagSafe Power Bank (White)

Charge your devices effortlessly with the Baseus Magnetic Mini. This power bank features a USB-C port and supports wireless charging. It boasts a capacity of 10,000mAh and is equipped with LED indicators to monitor the battery status at all times. It also supports fast charging with a 30W PD protocol. Additionally, it comes with a retractable cable for easy charging of the power bank and other devices.

Wired and Wireless Charging

This product offers both wired and wireless charging for your convenience. It supports fast wired charging at 30W, meaning your iPhone can be charged up to 55% in just 30 minutes! It also supports wireless charging at a maximum of 15W.

Compatible and Durable

This practical power bank can easily charge most popular devices, including iPhone 12-14 series, Samsung and Google devices, as well

as wireless headphones, smartwatches, electric toothbrushes, and more. Moreover, with its 10,000mAh capacity, you won't need to charge it frequently. On a single charge, it can recharge an iPhone 14 approximately 1.7 times and a Huawei Mate 40 Pro approximately 1.2 times.

Safety in Use

Thanks to its high-quality lithium-polymer battery, using this power bank is safe. It provides protection against overvoltage, overcurrent, excessive charging/discharge, short circuits, and overheating, among other things. Furthermore, it complies with international aviation transport standards, allowing you to take it on your travels.

Thoughtful Design

This product is characterized by its lightweight and compact size, making it easy to carry with you at all times. Additionally, it's designed to allow convenient wireless charging of your smartphone without obstructing the phone's camera. Thanks to the strong magnets, it provides stability for your device. The surface is also pleasant to touch and prevents accidental slipping.
