

Mcdodo CH-1541 GaN wall charger, 2x USB-C, 1x USB, 67W (black)

Ref: 6921002615419

Mcdodo CH-1541 GaN wall charger, 2x USB-C, 1x USB, 67W (black)

GaN Mcdodo CH-1541 network charger, 2x USB-C, 1x USB, 67W (black)

Charge your devices quickly and safely. The charger offers 3 ports, so you can connect several devices to it simultaneously. What's more, GaN technology influences the efficient operation of the charger, and the thoughtful design ensures safe use.

Fast charging

The Mcdodo charger has ports such as 2x USB-C and 1x USB-A, allowing you to charge 3 devices simultaneously. Using the USB-C port, you will charge your MacBook Air 13" up to 70% in about 30 minutes. The product is perfect for home, work, travel, university, etc.

Carefully considered design

The charger uses Mcdodo's proprietary heat dissipation system, so you can use it safely. What's more, GaN technology protects the charger from overheating and ensures high performance. In addition, it has protection against short circuit, overcurrent, etc.

Wide compatibility

Mcdodo CH-1541 supports a voltage range of 110-240V, so you can also use it abroad. What's more, thanks to its USB-C and USB-A ports, you can successfully connect it to smartphones, tablets and laptops from brands such as Apple, Huawei, Xiaomi, Samsung, Dell, Lenovo, etc. The product is also compatible with the Nintendo Switch console.
